FCIT Annual Membership Selection Notice · 2025–2026

EXECUTIVE SUMMARY & DISPATCH INTENT:

Annual induction protocol for eligible undergraduate candidates into FCIT Working Guilds (Dev's Guild, Intelligence Guild, AlgoCrew, Fusion X).

1. ELIGIBILITY & PREREQUISITES

Undergraduate students of B.Tech CSE, IT, and allied disciplines possessing proven technical curiosity, algorithmic proficiency, or open-source software contributions are eligible to apply. Applicants must register using university credentials.

2. GUILD ALLOCATION & EVALUATION PATHWAYS

Candidate evaluation is compartmentalised across four engineering guilds: Dev's Guild (Systems & Full-Stack Engineering), Intelligence Guild (Applied AI & Neural Models), AlgoCrew (Competitive Programming & Algorithms), and Fusion X (XR, UI/UX & Creative Engineering).

3. INDUCTION TIMELINE

Phase I (Online Technical Assessment): March 22, 2025.
Phase II (Guild Architectural Challenge & Code Sprint): March 26-28, 2025.
Phase III (Technical Review & Onboarding): April 02, 2025.

4. SUBMISSION & VERIFICATION

All portfolio repositories and challenge submissions must be committed to the designated FCIT Git repository prior to the deadline. Late submissions will be rejected by the automated CI evaluation pipeline.
